The stewards

- Having received a report from the FIA Technical Delegate that the team of car no 35 were found in the remote service A-Kuldiga without a ground sheet under the car.
- Having heard the driver, who admitted that the ground sheet was missing and stated that the service crew forgot this sheet. However, he feels responsible for the team.

The Stewards, after due deliberation

DECIDE

to levy a fine of **500 €** on competitor no 35 according ISC Art 12.4. for not complying with Art. 52.3.2 of the 2015 FIA Regional Rally Sporting Regulations. The fine has to be paid within 48 hours to the Organizer.

Since the driver was fined during this event twice for speeding during recce and for not having the bar code of the tyres visible from the outside, it is necessary to impose a strong fine.

The competitor is reminded of his right to appeal.
